### **About the Speaker --DR. MAJID NAINI**

Dr. Naini has been honored as a keynote speaker and presented talks, seminars, and workshops at numerous prestigious places throughout the world. Professor Naini is a world traveler who has lived and taught in four different continents. He has been featured in many U.S. and international websites, newspapers, and TV and radio shows, including a new PBS program. He also is the main speaker and consultant for a new documentary film about Rumi. Dr. Naini is one of the foremost scholars of Rumi, the 13th century Sufi mystic, who is the best selling poet in the U.S. today. Dr. Naini has published his latest book called "Mysteries of the Universe and Rumi's Discoveries on the majestic Path of Love."

### **Year of Rumi**

In celebration of the 800th anniversary of the legacy of Sufi Mystic, Poet and Scholar Mevlana Jelalludin Rumi- the United Nations Educational, Scientific and Cultural Organization (UNESCO) has named 2007 *International Year of Rumi*.
